WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available..

8. SHOWING

The statement must enumerate the steps taken to ensure timely payment of the maintenance fee, the date and the manner in which the patentee became aware of the expiration of the patent, and the steps taken to file the petition promptly.

9. PETITIONER(S) REQUESTS THAT THE DELAYED PAYMENT OF THE MAINTENANCE FEE BE ACCEPTED AND THE PATENT REINSTATED.

STATEMENT

(In the space below, please provide the showing of unavoidable delay recited in paragraph 8 above.)

Dear Madams/Sirs:

Since 1995 you granted us the first above mentioned patent, we having more than 30 US patent at present time. These patent came from our creative idea and diligently efforts. Accordingly, we paid and continually paying the maintenance fees and never missed any single payment.

Surprisingly, we just found out that, the US5457780 (the Patent) has been abandoned in year 2007 for non-payment. We are shocked, since we thought we paid and sent the check of \$1,955.00 HSBC bank, Check No. 2041 and the Maintenance Fee Transmittal Forms to you on March 25, 2007 by US ordinary mail (Please see attached copy). After that, we never received any notice says you had not received our maintenance fee, we assume you must already received the payment at that time. We could not explain why you never received our payment, the possibility was lost on the mail which was not under our control or could avoidable.

Although the Patent will be expired on October 10, 2012, just less than three months away, but, since this was our first patent, it is so precious to us, we consider it as our first baby, we do not wish to let it become an "Abandoned Patent".

When called your office, Ms. Michele Eason instructed us that, in order to reinstate the abandoned patent, the only way is to file PTO/SB/65 under 37 CFR 1.378(b). (Please see attachment)

Please try to imagine our feeling, and allow us to reinstate the abandoned patent, we appreciated your understanding and thank you for your kindly help.
